Motion to accept: Granted

Treasury Report: Motion to accept Treasurer Report: Motion granted

Conservation Report: Senate bill 441. It looked like they were going to give more power to Lakes Management Committee. We have a voice in this matter now which is Dick Smith. We need a volunteer to represent the PWWAB which meets every other month on a Monday.

We need to get involved again with the NH Wild Life Federation. Thank you Dick Smith for volunteering your personal time once again for taking care of this. Hope you enjoy yourself. This would be \$50 annual membership. This will be a way for us to 'have a voice' in legislation. There are 7000 members of the NH Wild Life Federation.

Motion to Accept \$50 due to NH Wild Life Association: Motion Granted

Dick Smith: August 4<sup>th</sup> we have 12 boaters committed to the Camp Care Free. We need 8 more boaters to make this a success. This is the 17<sup>th</sup> year that we have been doing this.

Vice Presidents Report: All Pro Rods has sent some links and we are working on seeing what type of deal they will offer as far as a discount.

Presidents Report: We need to get better at giving back as a whole organization. We do not want to put all the responsibility on the State Team to run the STQT and would like to try a volunteer basis to help the State team. Please see Joe, Mike, Bayard if you would like to volunteer. Responsibilities include live well checks, parking, setting up, tearing down, etc...

We are only allowed 13 boats at the state launch. So if you want a spot get there early.

Registration will be across the street at Martel's Bait Shop. You NEED to register at MARTELS before you unload your boat. ONLY lunker money is due at the registration. ALL other money should be paid ahead of time. Lunker is \$20 for the weekend. It will be \$10 per day.

September is the divisional. October we want to talk about the roster for 2011 and membership to TBF and to the State.

Old Business: Summer open was a success. Denise Allain and Gary Croteau were the winners of the summer open. STQT roster and money is due July 27, 2010.

Raffle winner for the Minn Kota Trolling motor is as follows: Al Smith

New Business:

We need to stay ahead of things and be prepared for what lies ahead. We have to get ready for 2011.

We should discuss a way to spread the pay outs among more people which may be a way to draw higher numbers for the opens. We paid out 4 places in the Summer Open. If we paid more spots it may be incentive for more people to join. We need suggestions from the clubs to increase our participation at the Opens. We need to check others in our market to see how many places they pay out.

Motion to adjourn: Motion accepted.

Next meeting August 24, 2010 - the fourth Tuesday of the month is when we have our meeting.
