- Dave Duffy mistakenly grabbed the wrong bank books for the meeting, but still had a couple good points/updates to share.
 - The Quality Inn overbilled us so a check was cut for the amount actually owed and was sent over to them.
 - Dave stressed that it is very important that all clubs get their 2013 TBF rosters together and money in by the November 27th face to face meeting, the sooner the better. The fee will stay the same at \$80.00.

Vice Presidents Report:

Conservations Report:

- Dick is very hard at work with the state on establishing a public access location/boat launch on Winnepesaukee.
 - There are two possible locations being looked at and there will be more details to come as they become available.
- Dick also has a meeting with Fish and Game this week on what kinds of educational efforts will be offered to the general public/vacationers on lead fishing jigs.
- A motion was made and approved for our membership to be renewed at the cost of \$50 with the NH Wildlife Federation.
- Dick Smith also checked into the list of Legislative Service Requests and found that currently there are no requests that interest this organization.
 - He expects more to start showing in the coming months and will keep an eye on anything we may need to take action on.
